

Reg. Nr.: OE-RH/1126/2025
Date: Budapest, September 17, 2025

**15/2025. (IX.17.) Rector's Instruction
on educational organizational questions related to the University Sports Day at Obuda
University**

In order to ensure the smooth organization of the Obuda University Sports Day event, I hereby order the following:

On the University Sports Day, October 14, 2025, from 11:00, all students of every Faculty of the University, regardless of their form of study (full-time, correspondence or evening courses), are allowed to participate and not attending classes during this time shall not be considered an absence.

However, absence from mid-term assessments is not permitted even on October 14, 2025, from 11:00, therefore, participation in the above-mentioned event does not exempt students from completing mid-term assessments (e.g. midterm exam) and does not qualify as an excused absence.

This directive shall enter into force on the day following its announcement and shall remain in effect until October 15, 2025.

Prof. Dr. Levente Kovács
Rector
