

22/2022. (XI. 11.) Rector's Instruction
on ordering a rector's break at Óbuda University

Based on the authorization contained in Section 40 (8) of the Study and Examination Regulations of Óbuda University, I order the following:

The 55th Scientific Student Conference – as part of the Festival of Hungarian Science series following the traditions of the past years – will be held on November 16, 2022 at Óbuda University, and in order to ensure the smooth running of the event, and to ensure the participation of the presenting students, lecturers, and those interested in the various sections, I am ordering an academic break for all students in all faculties studying in any working schedule (full-time, corresponding, evening) on November 16, 2022 from 12:35 pm. From November 24, 2022 the lectures in the university continue in a normal fashion.

In order to ensure the smooth running of further events of the Festival of Hungarian Science, in accordance with the schedule of the academic year of I. semester 2022/2023. adopted by the Senate I am ordering an academic break at Óbuda University, for all students in all faculties studying in any working schedule – full-time, corresponding, evening – from November 21, 2022. (Monday) to November 23, 2022. (Wednesday).

This instruction will enter into force after the day of promulgation and ceases to have effect on the 24th of November 2022.

Prof. Dr. Levente Kovács
rector
